School Uniform Policy

Forest Academy is very proud of our school and the sense of belonging children feel by being part of our school community. Wearing the correct school uniform plays a key role in promoting the ethos of our school, providing a clear sense of identity and sets an appropriate tone for education.

By creating a common identity amongst all pupils, regardless of background, wearing school uniform has acted as a social leveller; reducing peer pressure to wear the latest fashions or expensive clothes. Furthermore, by having a uniform to promote the shared identity and common sense of purpose, it also plays a part in what is required practically for classroom lessons, or for sport and the safeguarding and health and safety considerations involved.

This policy aims to:

- Set out our approach in requiring pupils to wear a school uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

Equality

All children have equal access to wearing school uniform regardless of their culture, race, religion, gender or disability. We ensure that the set uniform respects other policies such as the school's Equality Policy and aligns with the Equality Act 2010. Forest Academy is committed to creating a positive climate that will enable everyone to work free from discrimination and ensures that all feel respected and a sense of belonging.

Our school will:

- Have a gender neutral school uniform that allows all pupils the opportunity to wear the uniform that they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform is affordable for all pupils
- Recognise the importance of allowing all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Recognise the importance of allowing pupils to request changes to swimwear for religious reasons
- Recognise the importance of allowing pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with Mrs Lloyd, Headteacher, who can answer questions about the policy and respond to any requests
- Our uniform policy allows an expression of individuality and celebrating expressions.

The cost of school uniform

As a school, we believe that we have a duty to keep school uniform costs low for parents. Therefore, we will ensure that our school uniform is affordable, provides best value and that it will be sustainably sourced.

Therefore, we have taken the following main points into consideration:

- Carefully considered whether any items with distinctive characteristics are necessary
- Limiting items of branded* uniform and keep these to a minimum as a requirement, not just including everyday classroom wear, but PE Kit and other items
- Ensuring that the supplier arrangements are regularly re-tendered and the highest priority is given to cost and value for money (including the quality and durability of the garment)
- Ensuring that second-hand uniform is available for parents to acquire throughout the year
- Reviewing our School Uniform Policy to ensure it is available for all parents, including prospective parents, and is easily understood
- Ensuring that our school uniform is suitable for all children and families under the Equality Act

**By branded item, we are describing items with a logo or distinctive characteristics which make it unique to our school. For example, the bookbag, jumper and/or cardigan with the school logo. In comparison, a plain white polo shirt, grey trousers, skirt or dress that can be bought from a variety of retailers would not be considered a branded item. Generic items which are widely available (including low cost outlets) allow you to control the cost of school uniforms.*

Expectations for school uniform

The School Uniform for Forest Academy consists of the following:

- teal jumper with school's logo
- plain white shirt or polo shirt
- grey trousers or tailored shorts
- grey skirt or pinafore dress
- white, black or grey socks or tights

In the summer term, blue and white checked dresses or culotte-style dresses are optional. Some children chose to wear shorts or leggings under their skirt. These should be plain black or white, if worn under a summer dress.

Children will also require a **change of clothing for PE lessons.**

P.E.

- White PE t-shirt
- Black PE shorts
- Plain black trainers or plimsolls
- Plain black sweatshirt/hoodie and long trousers/leggings or tracksuit bottoms for outdoor PE in winter
- Kit bag
- No football kits or logos

Optional School logo items:

- White polo shirt with the school's logo
- PE Kit bag with the school's logo

- Book bag with the school's logo

Any head coverings such as hijabs, turbans or head scarves should be teal, black, white or grey in colour to tie in with the school uniform colours where possible. This is also something that can be discussed with parents and carers if a specific colour is important for religious reasons.

Sensible black shoes or black trainers should be worn at all times.

No open toed shoes or sandals should be worn for safety reasons. If children wear trainers these should be completely plain black with no coloured logos or laces. During cold weather black ankle boots may be worn, but they must be plain with only one buckle or laces.

Hair Styles

Children's hair must be worn in an appropriate way with no extreme styling or designs, for example mohicans and brightly coloured hair dye. Long hair must be tied back out of the eyes for safety reasons.

Forest Academy is pleased to support the Halo Code, championing the right of staff and pupils to embrace all Afro-hairstyles. The full pledge can be found at [HALO COLLECTIVE](#)

Accessories and equipment

Nail varnish and make up is not permitted to be worn at school.

The only **jewellery** that children may wear are small, plain stud earrings or small, discreet watches. These must be removed for PE and swimming. If children cannot yet remove stud earrings they can be covered with a plaster or tape provided by home as a temporary measure. Hoop and dangly earrings are not permitted for safety reasons.

The school does not take responsibility for any lost jewellery or watches.

We recognise that jewellery may be worn as an important expression of faith and would ask that parents and carers inform the leadership team if this is the case.

Children do not require large backpacks, bags or additional equipment. Coats, school book bags and PE kits must all fit on one peg. All basic equipment i.e., pencils, rulers, handwriting pens,

colouring pencils is provided by school. Any additional equipment is brought in under families' own risk.

Lunchboxes should be named, stored in the class lunchbox container and taken home every day.

Water bottles should be named and they will be kept in the classroom unless taken outside/to the hall for sports activities. Children are encouraged to drink water and should not bring other drinks to school.

Mobile Phones are not permitted in school, unless prior permission has been granted by the Headteacher in accordance with the Mobile Phone Policy. If permission is granted, phones will be handed to a member of school staff at the school gate each morning where they are stored securely.
