Friday 10th November 2023

Dear Parents and Carers,

We are very pleased to announce that the children will take part in an exciting 'Space' workshop in school on Wednesday 29th November 2023.

This interactive workshop will help the children to extend their skills and knowledge about space, universe and stars. The facilitator of the workshop will take the children on a magical adventure through a range of drama, music and story-based activities, collecting clues along the way to create a delightful story together at the end. In addition, the children will share the final story with friends and teachers from other year groups.

We are asking for a contribution towards the cost of the show, of £6.20 per child and this should be paid through your Arbor account, under the Activities/Trips section and select 'Space Workshop'. If you do not have your Arbor login, please contact the office.

Thank you for your contribution and support.

Mrs. Cross
Reception Teacher
