Reporting absences

Dear parents,

A friendly reminder – it is the responsibility of parents to inform the school each day their child is absent.

You may contact the school at 0208 777 2808, option 1, and leave a concise message, including your child's name, class, and a brief explanation for their absence. Kindly avoid using the generic term "Not well."

Alternatively, you can send an email to admissions@inspireforest.co.uk. Additionally, feel free to use Arbor to send a message. Remember to provide evidence for any appointments occurring during the school day.

Ensure that you manage medical conditions effectively with the prescribed medications. Notify the school of all medical conditions, and please hand any required medication to the school office for proper support of your child/children at school.

Thank you for your cooperation.

Who can help?

Pharmacists in England can now conduct consultations and prescribe antibiotics for certain conditions, making healthcare more accessible and convenient. If your child is dealing with:

- sore throat
- earache
- sinusitis
- impetigo
- shingles
- infected insect bites

All you have to do is walk straight in the chemist, no need for a GP appointment.

Punctuality Matters

08:45

School starts at 8:45 am sharp. Any child that arrives after the bell has been rung will be deemed as late. Please arrive on time so you don't miss any important learning.
