Dear Parents and Carers,

I am writing to inform you of some last-minute changes to our Sports Day scheduled for this morning.

Due to the forecasted hot weather, we have decided to shorten the time spent at each carousel activity. Furthermore, we regret to inform you that our traditional races, including the pupil races, parent races, and staff races, will be cancelled. These adjustments are being made to ensure that Sports Day can wrap up by 11am, prioritising the health and safety of all participants and spectators.

In addition, we will not be able to hold our traditional family picnic this year. Pupil lunches will not be ready until 12pm, so instead, each class will have a picnic with school staff.

We understand that these changes are disappointing, especially given the enthusiasm surrounding this much-anticipated event. However, the wellbeing of our children, parents, and staff is of utmost importance. While we considered rescheduling Sports Day to later in this term, the unpredictable nature of the English weather offers no guarantees.

Looking ahead, we will plan to schedule next year's Sports Day before the summer half term, though we will always be at the mercy of the weather.

We look forward to seeing you at 9am for a fun-filled morning. Thank you for your understanding and continued support.

Kindest regards,

Swabra Lloyd | Headteacher
