Friday 15th November 2024

Dear Parents/Carers,

Re: Geography Awareness Week – 18th to 22nd November 2024

Next week, we will be celebrating National Geography Awareness Week from Monday 18th to Friday 22nd November 2024. Throughout the week, children will be participating in numerous activities to celebrate and create awareness of the importance of geography. They will also engage pupils' understanding of human contributions to the earth as well as understanding the challenges that face our planet.

On Friday 22nd November, we will be hosting a cultural dress up day to celebrate geographical identity and diversity. Children are invited to wear traditional dress, celebrating their heritage. Children can also wear colours representing their country's flag.

We thank you for your continuous support.

Yours faithfully,

Mr Narh
Geography Leader
