Wednesday 15th January 2025

Dear Parents & Carers,

Re: Year 5 The Royal Observatory trip – 24th February 2025

On Monday 24th February, the first day back after the half term break, the children in Year 5 will be visiting The Royal Observatory in Greenwich as part of their spring science topic and they will be taking part in a workshop on the planets in our solar system.

There is a small cost of £3.50 per child for the workshop.

Children should arrive for school at their normal time and we shall leave school at about 9:30am. We will travel by public transport, returning to school a bit later than normal, at approximately **4pm**.

Your child will need to have a packed lunch. All children are entitled to free school meals, which can be provided for them on the day. Please let the teaching staff know, as soon as possible, if a school packed lunch is required, so arrangements can be made with the kitchen staff. The children should also have a bottle of water and a piece of fruit to snack on during the journey and put this all into a comfortable bag that they can carry with them.

Please make sure your child is wearing a full school uniform, with a suitable coat for the weather and sensible black shoes for this trip.

Please register and pay for your child to attend the trip in the Arbor app, Activities/Trips section by Friday 14th February 2025.

Thank you for your continued support.

Yours faithfully,

The Year 5 Team
