It's the final term before the summer break, and as always, this is a particularly busy and exciting time of year. Every day in school really counts, with lots of different activities taking place, from Sports Day and school trips to 'Meet the Teacher' sessions and more. We don't want any child to miss out on these valuable experiences.

Please ensure that your child attends school every day and arrives on time.

As summer approaches, we'd also like to remind you about unauthorised absences, which include term-time holidays. As you're aware, the guidelines changed in August 2024, so please make sure you're familiar with the current rules - we don't want anyone to get caught out.

Thank you for your continued support!

COUNTS.**
