Dear Parents & Carers,

Re: Year 2 trip to The London Sea Life Centre

On Friday 13th March the children in Year 2 will be attending the 'The London Sea Life Centre', Southbank London, in line with our core text Animal Encyclopedia and our science topic of habitats.

We will be exploring the exhibit and researching the many different sea life species and their habitats.

We will be travelling via public transport, leaving school at 9:00am promptly and returning by 3:15pm. The children will have their lunch on the Southbank, a school packed lunch will be provided. Please make sure your child brings a bottle of water for the day.

Please ensure your child is wearing a full school uniform, with a suitable coat for potential wet weather conditions, as well as comfortable black shoes/trainers for this trip.

The cost of the trip is £8 per child. We have been able to subsidise half the cost and, we would be very grateful for a contribution of **£4.00** towards the cost of the experience. Contributions should be made via the Arbor app when you register your child for the trip.

Please give your permission/register via the app in the Activities/Trips section, 'London Sea Life Centre'.

Thank you for your continued support.

Yours faithfully,
The Year 2 team
